The development consists of two individual blocks, an outdoor swimming pool, 5000 m² of gardens and sea views.

Building designed with noble materials and finishes that guarantee comfort and safety on a daily basis, highlighting the glazed facades, home automation and deck balconies.

Kitchen equipped with hob, oven, extractor fan, microwave and heat pump.

Apartment with pre-installation of air conditioning through ductwork.

Taking advantage of the hill, the entire building was oriented to the south, offering an expansive view of the bay.

Although it is situated in an exclusively residential area, it is within walking distance of primary and secondary schools, the hospital, the Barreiros stadium, as well as several shops such as pharmacies, mini-markets, fruit shops and more, with multiple accesses to the city center and the expressway.
