Bathrooms:
Margrés ceramic tiles
Indusa toilets
Bruma fittings

Flooring:
All the flats have oak reguado flooring, guaranteeing quality and durability.

Large outdoor areas with continuity in the materials used inside, offering a harmonious transition between internal and external spaces.

Two finishing options >>>

Standard Version:
Uniformity in finishes and fittings; high quality ceramic tiles.

Plus+ Version:
Enriched with sophisticated textures; tiles in large formats and elegant colours.

The decision is yours!

During the construction phase, you have the freedom to choose between two different standards that differ in their finishes and equipment. Personalise your flat according to the level of comfort and sophistication you want.

Explore the opportunity to live in a location that not only offers a serene and exclusive environment, but also all the modern conveniences that contemporary life demands.
