Unique Wonders

This gated community is a perfect choice to be close to everything. An innovative project consisting of two buildings, carefully designed. Consisting of 24 apartments, the buildings are characterized by the existence of spacious balconies, distributed by the typologies T1, T2 and T3, plus, respectively, the terraces, storage and parking spaces associated with each fraction. Some have private boxes. "Unique Maravilhas" also has common spaces and differentiated and welcoming infrastructures, with two swimming pools, solarium areas, gym, green spaces and lounge areas distributed across the roofs of the buildings and surroundings.
